**Subject: CAPTAIN SLIMAN - GRADUATION FROM NORTHWESTERN
UNIVERSITY'S EXECUTIVE DEVELOPMENT PROGRAM**

This Letter to the City Commission is to advise the Mayor and Commissioners that Captain Brian Sliman has graduated from the three-week residential Northwestern University Executive Development Program.

The Executive Development Program prepares middle-management executives to become more effective leaders and change agents in their organizations. The program shows individuals how to compete and succeed using strategic thinking to establish appropriate goals and develop the leadership skills to get results. It provides an intensive analysis of each of the functional areas of business and challenges students with fresh ideas, enabling them to build greater perspective and learn a wide range of best practices solutions.

Captain Sliman is a fourteen-year year veteran of the Miami Beach Police Department and currently commands the Criminal Investigations Unit.

Please join me in congratulating Captain Sliman on his graduation from the Northwestern Executive Development Program and we all wish him continued success.
